Men's Club Tee Time Reservation/Cancellation Policy

Tee Time Reservation

Men's Club members will once again be able to reserve their tee time for the 2020 season. We will be requiring prepaid rounds or a PGC membership to do so. Each player reserving a time will be required to send a request. A confirmation email will be sent outlining the reservation policy we will be implementing this year. Please keep in mind that in the spring and fall tee times will be different because of daylight. PGC reserves the right to book public play or other Men's Club members in any opening throughout the Men's Club allotted times. Those who do not wish to purchase prepaid rounds or a PGC membership can ask to reserve their time starting April 1st.

Cancellation Policy

A Men's Club member is able to cancel their tee time by the Thursday before they wish to play without penalty. Please cancel your tee time by sending an email to proshop@portlandgolfcourse.com so that the cancellation is documented. Please clarify if you are cancelling for yourself or your entire foursome. Those who do not cancel their time, or do not show for their scheduled time without just reason (family emergency, work emergency, injury) will be charged \$46. Sickness will not be an adequate excuse for cancellation. If you schedule your time after the Thursday deadline and are a no show you will be charged the penalty fee. It does not matter if you are a single signup or have a reserved time for the year, you will need to abide by the Thursday deadline. Men's Club members will not be able to reserve their time or participate in Men's Club Tournaments until their cancellation fee is paid. This policy will be strictly enforced. Those who do not cancel appropriately will lose their reserved time after the 3rd offense.

The tee sheet will be sent out by Tuesday every week (typically Monday). Please check your email to confirm your time. If you wish to schedule a time please do so over email.

Areas worn by carts or by maintenance traffic will be played as such. One club length relief, no closer to the hole.

Ground-Under-Repair will ONLY be marked by White Lines or ropes and stakes. There is not any "Old" ground under repair, only those that are currently marked. Relief from Ground Under Repair areas will be mandatory unless other noted.

The use of Range finders is approved as long as they do not measure other conditions (e.g. gradient, slope, wind speed and temperature, etc.)

You may remove rocks in the bunkers without penalty. This is to promote safer playing conditions.

The decision to play Winter Rules or "preferred lies" will only be made by the pro shop staff and will be reported to the club before the playing of the round. Therefore, the definition of winter rules will be as follows; a ball lying in its resting position (anywhere but a lateral or frontal hazard) may be moved or lifted, cleaned and placed within one club length of where it originally lay, but no nearer to the hole.

A leaf rule may be in put in effect by the Pro-Shop staff as necessary. The leaf rule will allow a player whose ball is lost within the tree lines of the hole of play, free relief within one club length of where the ball was deemed lost. THIS DOES NOT INCLUDE THE TREE LINE OR OUTSIDE.

Mulch beds will be considered ground under repair. Take relief as necessary.
