

PGC Mens Club Handbook

Revised 3/24/2023

Reservation Policy

Men's Club members will once again be able to reserve their tee time for the 2023 season. We will be requiring prepaid rounds or a PGC membership to do so. Each player reserving a time will be required to send a request. A confirmation email will be sent outlining the reservation policy we will be implementing this year. Please keep in mind that in the spring and fall, tee times will be different because of daylight. PGC reserves the right to book public play or other Men's Club members in any opening throughout the Men's Club open times.

Cancellation Policy

A Men's Club member is able to cancel their tee time by the Thursday before they wish to play without penalty. Please cancel your tee time by sending an email to proshop@portlandgolfcourse.com so that the cancellation is documented. Please clarify if you are canceling for yourself or your entire foursome. Those who do not cancel their time, or do not show for their scheduled time without just reason (family emergency, work emergency, injury) will be charged a greens fee. Sickness will not be an adequate excuse for cancellation. If you schedule your time after the Thursday deadline and are a no show you will be charged the penalty fee. It does not matter if you are a single signup or have a reserved time for the year, you will need to abide by the Thursday deadline. Men's Club members will not be able to reserve their time or participate in Men's Club Tournaments until their cancellation fee is paid. This policy will be strictly enforced. Those who do not cancel appropriately will lose their reserved time after the 2nd offense.

The tee sheet will be sent out by Tuesday every week (typically Monday). Please check your email to confirm your time. If you wish to schedule a time please do so over email.

In the event a player does not finish a hole they must mark their scorecard with an "X" followed by their net double bogey score which is calculated using the following formula:

Portland Golf Course Local Rules

Course Out of Bounds will be defined by WHITE wooden stakes on hole numbers 3,4,5,6,7,8,9,12,16,17,18 (Rule 27-1)

Course out of bounds will also be defined by property markers on hole numbers 3,4,5,6,7,9,10,11,12,13,14,15,16,17,18. Any ball inside of these boundaries that is not found will be considered a lost ball. (Rule 27-1)

Lateral Hazards will be defined by RED wooden stakes on hole numbers 2,3,6,8,9,10,12,13,15,16 (Rule 26)

Frontal Hazards will be defined by YELLOW wooden stakes on hole numbers 2,16,18 (Rule 26).

Any part of the Parking Lot area is considered out of bounds.

Putting Green/Club House area shall be defined as Out-of-Bounds and will be marked with WHITE stakes

Areas worn by carts or by maintenance traffic will be played as such. One club length relief, no closer to the hole.

Ground-Under-Repair will ONLY be marked by White Lines or ropes and stakes. There is not any "Old" ground under repair, only those that are currently marked. Relief from Ground Under Repair areas will be mandatory unless other noted.

The use of Range finders is approved as long as they do not measure other conditions (e.g. gradient, slope, wind speed and temperature, etc.)

If a tree has been cut down and the stump remains in the ground it will be ruled as ground under repair. You may take one club length relief, no closer to the hole without penalty. This will include a ball at rest on any roots that have grown to the surface around many of the trees on the course.

You may remove rocks in the bunkers without penalty. This is to promote safer playing conditions.

If your ball comes to rest on rocks you are able to mark your ball, clean away any rocks (loose impediments) and replace your ball. This is to promote safer playing conditions.

The decision to play Winter Rules or "preferred lies" will only be made by the pro shop staff and will be reported to the club before the playing of the round. Therefore, the definition of winter rules will be as follows; a ball lying in its resting position (anywhere but a lateral or frontal hazard) may be moved or lifted, cleaned and placed within one club length of where it originally lay, but no nearer to the hole.

A leaf rule may be put in effect by the Pro-Shop staff as necessary. The leaf rule will allow a player whose ball is lost within the tree lines of the hole of play, free relief within one club length of where the ball was deemed lost. THIS DOES NOT INCLUDE THE TREE LINE OR OUTSIDE.

Mulch beds will be considered ground under repair. Take relief as necessary.

“Stroke and Distance” Players may use the local rule of stroke and distance during their round but only off the tee. Players will determine where the ball was lost or went out of bounds, measure that distance from the flag stick and may drop on an arc from that point to two club lengths into the fairway. Please see the link for further description.
